**Addendum to the LM-30 Form which is to  
be Incorporated and Made Part of the LM-30 Form**

**Paul Drazen**

**Labor Organization File # 000-131**

**Addendum A Meals/Events with Friends**

I have personal friendships with individuals who may be employed by reportable entities under the LMRDA, which exist separate and apart from my role as a union employee. In 2004, it is conceivable that I received the benefit of a meal, refreshment or social event from these individuals, which I did not report because I do not have any record of these personal encounters and/or have no specific recollection of any benefits received.

**Addendum B Meal/Events without Specific Records or Recollection**

It is conceivable that I received the benefit of a meal, refreshment or social event from an individual who may be employed by a reportable entity under the LMRDA, which I did not report because I do not have any records of these encounters and have no specific recollection of any benefits received.

**Addendum C PAC**

I am not reporting any benefits that I may have received from a political action committee (PAC). My understanding is that PACs report all receipts and disbursements under the Federal Election Campaign Act, and I do not need to report under the Labor Management Reporting and Disclosure Act.

**Addendum H Union to Union Benefits**

I am not reporting any benefits that I may have received in 2004 from Labor Organizations affiliated with the Laborers' International Union of North America (LIUNA), my employer, or other labor organizations. My understanding of guidance received by the AFL-CIO is that benefits received from LIUNA-affiliated labor organizations and other labor organizations are not reportable on the LM-30 report, and I am following that guidance.

RE Form LM-30 Filing for Paul Drazen, Labor Organization File # 000-131

Dear Sir or Madam

Enclosed please find my Labor Organization and Employee Report LM-30 for the 2004 reporting period. In filing the report, I have reviewed all of the available 2004 records as well as my recollection. I have provided my best estimate or an estimated price range for the value of the benefit received where I have no knowledge as to an exact amount.

As you know, it was not until March of this year that the Department of Labor initially announced its intention to provide additional guidance to the reporting community concerning the LM-30 report, to seek systemic compliance with these requirements and to apply standards adopted in 2005 retroactively to 2004 as a base year in that effort. Further, the Department since that time has continued to issue and revise its compliance advice, including guidance related to benefit funds. My understanding is that the Department's guidance to date on LM-30 reporting is still changing and remains uncertain in various particulars.

It may be possible that a covered employer or business listed on my LM-30 report for 2004 provided something of value as to which I have no documentary record or any present specific recollection. In accordance with your guidance, it is my understanding that, in that circumstance, I am not required to take any further action.

This filing reflects my good faith effort to comply with the LM-30 reporting provision and in doing so, I have relied upon the evolving guidance from the department. The enclosed material represents my best recollection and estimate of all lawfully reported benefits that I received in 2004.

Sincerely,

Paul Drazen
